FAIR MAIL

COMELY blonde Eve Labeau is in love with a dreamboat, but he has sailed far away, so now she has to send him her kisses by way of the postman. The postman says he doesn't mind . . . a kiss in a letter is just another cross for him to bear . . . but he does wish she'd stop smearing him with lipstick. He told his wife he works in the Red Letter Office, but he says she doesn't believe him. But Eve can't help it. A mailman to her is just like any other male man, and if he's a letter-carrier, why can't he letter carry on with him? Anyway, she thinks the whole idea of mail boxes is silly. Male or female, who could ever get a case on a

Lovemaking by mail is OK, but Evie really prefers it by male.

If that's just a friendly note Evie's writing, why is she so upset about it?

**LETTERS

That dreamy look in Evie's eyes is known as Special Delirium.

Blondie is searching for a word, any word, as long as it is spelled LOVE.

box? "I once had a crush on a fruit crate," she says, "but that was just an orange crush." Did it turn out to be a lemon?, we asked her. "No, it was a crate experience while it lasted," she said. But getting back to her letter, we asked, what was she going to tell her boy friend about her dates? "Dates none of his business!" she winked.

Well, it's finished! Evie thinks her love letter ought to go by Care Mail.

DE-LIGHT RAYS OF THE GAY BRIGHT WAY

Evelyn Lewis, showgirl at the famed Latin Quarter, is five feet five inches tall, weighs 115 pounds and is twenty-one years old. This blonde beauty came to Broadway from Los Angeles.

LOVELIEST of the lovelies from all over the land gather in the bright spots of Broadway's niteries to shed their beautiful glow over the happy customers. Like teasing, winking stars in the night, they combine beauty and talent as their lovely forms sway in the rhythms of the dance, while out front the eager eyes of the lucky spectators drink in their charms. Here are three of the brightest rays now shining in Manhattan's night sky!

Hula-girl Gail Bennett is a blonde, twenty years old, six feet three in height, weighing 130 pounds. She comes from Boston, and is known to Broadway as the tallest showgirl in the business.

Tall brunette Ruth Barber stirs barbers' emotions in the hearts of the spectators during Wally Wagner's glamorous shows in the Lotta Quaker, one of Broadway's gayest night-spots.

Well, Cindy, golf. With those skis, she's sure to have a nice time!

Maybe ski-ing isn't a bad sport if you can find it!

Cindy says ski clothes are all right, once she gets shoes to them.

If this lovely falls while
taking curves, she'll end
up with aching curves!

SKI-SHE!

WHEN lovely blonde actress Cindy Heller showed up at the studio wearing a ski costume we told her she ought to go winter the refrigerating business. "Why?" she wanted to know. Because you're such an ice girl!, we told her. "This is snow time for kidding, kid," she muttered. "I'm really a ski fan, and I love to glide over the rounded curves of a hill." Well, we're a she-fan, we told her, and we have the same ideas about the rounded curves of a jill! "But you can only see a lady glide in the mountains," she protested. Don't be silly, we told her, that's the only reason we go to the mountains . . . to see a lady guide. "Is she good at slalom?" Cindy asked. "Slalom or in a crowd, she's terrific," we answered. "But can she telemark?" Cindy wanted to know. She can't telemark from a franc or a ruble, we said, but who

Snow use, Cindy just can't keep those
feet sleds from going back on her.

*Ski-ing today means aches

cares about money? It's honey we're after! "I suppose she's a good dancer," Cindy said. You bet, we told her. We throw snowballs all the time, just to see her hop! "And she's all right in a rink?" Well, she's a good skate, if that's what you mean, we told Cindy. We're going to buy her a rink as soon as she promises to marry us! "What kind of skis does she use, oak or hickory?" Cindy asked next. She can be a hickory gal from the city, it's oak with us! we answered. "But what I want to know," Cindy said impatiently, "is she good in sports?" Good in sports . . . why, she's good all over!, we told her. "No, I mean . . . Is she an outdoor girl?" What we like about her is that she's a girl, outdoor in! "And you want to marry her?" Cindy asked. Yes, and we won't keep her wedding at the church, either!, we answered. "But if she goes ski-ing on the mountain peaks," Cindy said, "this charmer may hurt herself in the wet snow." Any damp peak which charms a hair on her head will have to answer to us!, we muttered. "So you're drifting into marriage," she sighed. It's snow drift!, we said.

*Sliding downhill is fun,
but going up Cindy had
the climb of her life.*

**THRILL JILL IN A
CHILLY HILL SPILL!**

THIS SKI-GIRL WON'T GIVE US A TUMBLE!

Even when the kids throw her, this gal has plenty of winks appeal.

Just stick around with that galloping plank, kid, and we'll never be board!

Cindy loves trees and all that, but she's getting tired of these slippery elms.

LOVELORN

LOVELIES

DEFIANT of the tails of love, gorgeous Jean Marie wields her whip as a sign of her rebellion against the restraints of man-made rules. It will take a strong man, and a determined one, to sweep her off her feet and win her helpless surrender to his power!

BUT golden-tressed Darlene Thomas, dainty in her appealing loveliness, is enchained! Her misty eyes hold a look of adoring helplessness, her trembling, parted lips ask only that love treat her gently. Kneeling in supplication, she is at its mercy! Be kind to her!

SHAPE AHOY!

YOU wouldn't think it to look at her, but redheaded Linda Davis is a sailor with a gob of problems. In fact, she says things are tar-ible! "I used to think a ship's roll was something to eat, but since my last trip made me so seasick, I'm always sailing!" Living in a ship's hold ain't so hatch, eh?, we queried. "Since I'm mast, I'll tell you!" she muttered. "It's enough to keel a girl!" But how about all the men in the crew, we said. Don't they have aweigh with them which makes a ship sort of foam-like for a lady? "I don't want to be crew-d," Linda sighed. "But as a matter of fact, the men hanker too much, if you know what I mean. H-anchors away, I say!" That's all very well, we told her, but buoys will be buoys. A girl has to expect a little sparring now and then, especially with sailors. She can't be stern to every beau that tries to liner up! "I know what you mean," Linda sighed

Legs see, what
was that old line
about see - legs?

Linda wouldn't mind the rolling seas if they would only cease rolling.

That sea-doughnut proves Linda is a sailor, and she's willing to back it up.

WHY SAILORS GO TO SEE!

This business of being a tar has Linda all at sea. There must be better waves to make a living!

This redhead likes the sea because there are so many buoys around.

What gob wouldn't leave foam for a ship-shape like this?

We sail in sight, baby? Not even with a sailin' sight like you around?

again, "I never start a row, boat sometimes I'm tempted to put a blinker on the lamps of some of the wolves in ship's clothing I run into!" Doesn't the master of the ship protect you?, we asked. "I should say not!" she snapped. "He chases me himself! Sometimes I'm lucky to be two yards before the master!" Oh, to be a see-man on a sight like that!

Our marine queen likes the sea's ease, but she has no use for the ocean's motions!

A vintage-style advertisement. On the left, a woman with blonde, curly hair and a white flower in it is sitting on a wooden chair. She is wearing a dark, laced corset over a light-colored top and a short, dark skirt. She is looking towards the camera with a slight smile. On the right, there is a large, stylized can of 'Lovely Morsels'. The can is white with black text and a black outline. The text on the can reads: 'LOVELY MORSELS' in large, bold, serif letters, followed by '—SWEET ENOUGH TO EAT!' in a smaller, bold, sans-serif font. Below this, there is a paragraph of text in a serif font, starting with 'HOW would you like a dainty sandwich made up of a cute little brunette between two tall and terrific blondes? That's what you have right here! The golden-haired lady on the left is glamorous Vicki Burke, one of NTG's dancing darlings at the Greenwich Village Inn. The other dream with spun-gold tresses, far right, is delicious Eve Rydell, whose tall beauty has modeled for many a blood-stirring work of art, while the tiny bundle of brunette joy between them (right) is petite Wanda Wanger, model, actress and showgirl.'

That's why he calls me his Wet Pet, and I call him my Rain-beau." Any guy who doesn't know enough to come in out of the rain, we remarked, must be a drip. "Don't cloud me, mist-er," she warned, "My temperature goes up when any damp pest insults my sleetheart. I'll sleigh you!" Sorry, we apologised. But tell us, we asked Jackie, why do you hail a storm with delight, and go winter ecstasies in a blizzard? "Drizzle kill you," she smiled. YOU can't blame blonde Paula for seeing red when red-haired Lorraine socked her, giving her a black eye. In fact, the shiner made her feel very sad . . . she was very black and blue! It all started when Lorraine turned green with envy because Paula's hands were so soft and white. "Gosh, you sure lead a colorful life!" the redhead sighed, looking mournfully at her own hands, which were dishpan pink. "Yeah, those are paws of a different color," Paula wisecracked. Naturally, that burned Lorraine up. In fact, she began to boil. "Sizzle

Lorraine kept pigeon her fists, Paula forgot to duck and the redhead b-rooster. "That was a fowl blow!" the blonde complained. Then Paula got Lorraine by the ear and bit it. ADVICE TO READERS:

who are suffering the miseries of

BAD SKIN

Stop Worrying Now About Pimples and Blackheads

and other externally caused skin troubles

JUST FOLLOW SKIN DOCTOR'S
SIMPLE DIRECTIONS

SQUEEZING pimples or blackheads to get rid of them is a nasty, messy business—but that isn't the worst of it. Because doing so may also be injurious and leave your skin with unsightly, embarrassing blemishes. There is, now, a much easier, safer, cleaner way to help you rid your face of ugly, offensive, externally caused skin troubles. You merely follow a doctor's simple directions.

Good-Looking Skin Is Not for Women Only

You—yes, you—can have the same healthy, normal complexion free from externally caused skin troubles simply by giving your skin the special care that handsome screen stars give theirs. There's almost nothing to it—it is just about as easy as washing your face. *The whole secret consists of washing your face in a way that thoroughly cleanses the pores of every last speck of dirt and grime—something that ordinary cleansing may not do.* In fact, examination after examination shows that, usually, it is not a case of "bad skin" so much as a case of incomplete or faulty cleansing. What you should use is a highly concentrated soap like Viderm Skin Cleanser which penetrates the pores and acts as an antiseptic. When followed by a quick application of Viderm Medicated Skin Cream, specks of irritating dirt and grime are quickly washed out; they dissolve and disappear, leaving your skin clean, clear and free of the specks that often bring out pimples, blackheads and other externally-caused skin troubles.

It's Foolish to Take Bad Skin for Granted

It doesn't pay to risk marred skin, blotches, blemishes. Your very success in business, love and social life may depend upon your looks. *Handsome and a good appearance usually start with the condition of your skin.* Nobody likes a skin that looks unhealthy, unclear, abused, and marked with blackheads or pimples. **WOMEN ARE ATTRACTED TO MEN WHO HAVE SMOOTH,**

CLEAR, ROBUST-LOOKING SKIN. Business executives don't choose men who have a poor-looking complexion. Don't take chances with your success in life when this inexpensive Viderm formula may help you.

Don't murder your skin! Here's all you have to do to keep it smooth and clear. Use Viderm Skin Cleanser when you wash your face. Rub the rich lather of this highly-concentrated soap on your face for just a few seconds and then rinse it off. Then apply a little Viderm Medicated Skin Cream and that's all there is to it. Viderm Medicated Skin Cream quickly disappears, leaving your skin nice and smooth. This simple treatment, used after shaving, helps heal tiny nicks and cuts, relieves razor-burn and smarting, besides conditioning your skin.

Give Your Face This Treat for 7 Days

Stop worrying and being embarrassed over what may happen to your skin. Just send for your Viderm Double Treatment this minute, and be confident that you will keep a smooth and clear complexion. Follow the simple directions, written by a doctor, that you will get with your Viderm Double Treatment; then look in your mirror and listen to your friends admire your smooth, clear skin—the kind that women go for.

Just mail your name and address to The New York Skin Laboratory, 206 Division Street, Dept. 114, New York City 2, New York. By return mail you will receive both

of the Viderm formulas, complete with full directions, and packed in a safety-sealed carton. On delivery, pay two dollars plus postage. If you wish, you can save the postage fee by mailing the two dollars with your letter. Then, if you aren't thrilled with results, your money will be cheerfully refunded. Remember that both of the formulas you use have been fully tested and proven, and are reliable for you. If they don't help you, your treatments cost you nothing. After you have received your Viderm, if you have any questions to ask concerning abused skin, just send them in.

DON'T DO THIS!

Don't murder your skin by squeezing it. Skin is delicate. When you break it, you leave yourself wide open to miseries. It's far easier, far safer, to let the Double Viderm treatment help you enjoy a handsome, clear and blemish-free complexion.

You'd want to murder this kind of man if you found him with your kid-sister!

but to understand him—by sharing his amazing escapades—

You'll simply have to read

BUBU of MONTPARNASSE

AND THE WOMEN WHO SERVED HIM!
Introduction by T. S. ELIOT

The frankest, tenderest and most amazing description of the lives of those who carry on what is delicately referred to as the world's oldest profession to come out of France. While the greatest critics acclaim it a living classic, readers call it as realistic as THE DECAMERON.

PART ONE

CHAPTER ONE: This chapter could be entitled *The Story of a Pickup*. As a matter of fact it was a wonderful night for both Bubu and Berthe.

CHAPTER TWO: About a little florist who became a street-walker, and a cabinet-maker turned woman-maker.

CHAPTER THREE: The calling of certain women is hard on shoes but also something of a strain on the heart.

CHAPTER FIVE: Louis Buisson and his exemplary Venus of sixteen.

PART TWO

CHAPTER SIX: A young woman's cure can be her lover's misfortune. Many a social problem is solved by one young man going to jail.

CHAPTER SEVEN: The affairs of a madonna of the streets.

CHAPTER EIGHT: This chapter could be entitled *A Calendar of Sin*. The terms on which Berthe came back to Pierre.

CHAPTER NINE: A sister in sin.

CHAPTER TEN: It is sometimes too late for a footsore little madonna to go back to selling flowers.

"THE MOST ABSORBING NOVEL I HAVE EVER READ,"

writes a happy customer, "because, with the very opening sentence, it brought me into the midst of a life so real, so dazzling, and so full of the mischief I can't afford in my own life, that I promptly forgot all my own worries, and lived all the strange excitements of Bubu, his men and his women.

"I liked Bubu not because he lived in a way I do not approve of but because reading about him made me understand for the first time that people do such things not because they are BORN BAD, but because circumstances MAKE THEM WHAT THEY ARE.

"I would not like my kid sister to be subjected to the humiliations which make BERTHE so sweet and appealing to the reader, but I can profit from watching her, and thank heaven that, in America, my kid

sister is not likely to be victimized in that fashion.

"Yes, I even liked Grand Jules and it was no trouble understanding why his women called him that. Lucky Jules. Lucky women.

"And, lastly, there's Pierre—the good Pierre whose love for the little street-walker got him into such difficulties. Meeting Pierre, possible only between the covers of a book, was worth five times what I paid for BUBU OF MONTPARNASSE."
